***Space Coast Area Transit Announces New Cocoa Beach Route 7***

In coordination with the City of Cocoa Beach and the Florida Department of Transportation, Space Coast Area Transit is pleased to announce the start of a new route along Minuteman Causeway.

Route 7 will provide bus service to the Cocoa Beach County Club, Senior Center, City Hall, Public Library and Jr/Sr High School. The route will also connect with existing Route 9. Route 7 will begin service on Monday, July 20, 2009. Schedules are now available.

"The original idea for this route came from the City of Cocoa Beach. We were able to access a state grant and the City provided the local match for the service. The support we received from the City of Cocoa Beach is wonderful!" stated Jim Liesenfelt, Transit Director for Space Coast Area Transit.

For further information on Route 7 or for maps and schedules, contact Space Coast Area Transit at 633-1878 or log on to RideSCAT.com
